

Elementary Chinese Readers (Revised Edition), Book 1 - 4

This new edition has been substantially revised in order to incorporate new material that is based on recent developments in linguistic theory and teaching methods. and the many constructive suggestions from our readers. This textbook lays emphasis on practical language needed in daily communication. The material has been updated to reflect current Chinese life. The lessons have been carefully arranged to make the book as useful as possible, although the general structure of the original has been maintained. In addition, newly recorded cassette tapes are provided. The various supplementary readings published for the first edition, however, can continue to be used for this new edition. Textbooks are in 4 volumes.

Conversational Chinese 301, vol.1 - 2 (Third Edition)

Conversational Chinese 301 is intended to be an intensive course book for foreigners who have just started to learn Chinese. This book consists of 40 lessons and 8 reviews. The 40 lessons encompass nearly 30 communicative functions such as "Greetings" and "Making an Acquaintance", about 800 new words and the fundamentals of Chinese grammar. Each lesson is divided into six parts: Sentences, Conversation, Substitution and Extension, New Words, Grammar and Exercises.

The exercises are varied and plentiful. The reviews give due attention to improving the conversational and narrative skills of the learner, as well as systematically summarizing the grammar points covered. The exercises in each lesson and the reviews may be used in totality or in part, according to actual circumstances.

Chinese for Today, Book 1 - 2 (Second edition)

Chinese for Today is a series in two stages conceived and designed for people outside China who want to learn modern Chinese. It can be used as a textbook for regular classroom teaching, as well as for self-teaching purposes.

The textbook for stage one contains 35 lessons preceded by a concise introduction to speech sounds and tones of modern Chinese. The texts of these lessons are all lively and true-to-life dialogues. They deal with situations a foreigner travelling or living in China is likely to find him or herself in. The major aim of this stage is to teach basic sentence patterns and ways of expression in modern spoken Chinese.
